Re: Guest Lecture by Mr Yang (Ben) Liu

This letter is to express my appreciation to the excellent Guest Lecture delivered by Mr Yang (Ben) Liu on 12:00 – 14:00 on Friday 29 May 2015. The topic of this Guest Lecture is: “Integration of Web Services with Mobile Platform”. Mr Yang (Ben) Liu is from AGRF (Australian Genome Research Facility Ltd).

His lecture has given our Year-3 BInfTech students in INFS3202/INFS7202 Web Information Systems courses a good insight on how to programming on smartphone platforms for using cutting-edge technologies such as iBeacon, IOS and Object-C programming.

Yours sincerely,

Dr. Xue Li
